ON WEBSITE**

**FOR IMMEDIATE RELEASE—HAGÁTÑA, GU—(March 18, 2010)**—Senator vicente c. pangelinan, (D) Barrigada in continuing the advancement of the decolonization process has made the roll of the Decolonization Registry available at his office and is providing registration services for those who find they are not on the list and wish to register. The completion of the registry is of great importance for the people of Guam for the purpose of conducting the political status plebiscite on Guam.

Senator pangelinan says, "My office is working with anyone interested in contributing to the registering of qualified persons. My office has a copy of the Registry for persons to check if their names are on the listing. If they find their names are not on the list, we have qualified registrars that can register them." A copy of the listing is also available on my website: [www.senbenp.com](http://www.senbenp.com)".

"It is very important this information is made available to the public as to clearly identify those registered. I want to remind the public the people who qualify to register are those persons who became U.S. Citizens by virtue of the authority and enactment of the 1950 Organic Act of Guam and descendants of those persons" concluded the Senator.
